Returning Students

Housing Waitlists

As the housing self-selection process has concluded, the [Housing Portal](#) is now open for students who did not self-select a room or are interested in a residential area that is full to sign up for a housing waitlist(s).

To access the waitlist page please go to the Housing Portal > Academic Year Application > Application Status > Additional Steps > Waitlist. Students are welcome to sign up for one, some, or all waitlists that are available to them. Placements will be offered to students who sign up on a waitlist on a rolling basis based on availability. Offers will expire within 24 - 48 hours, so please be sure to monitor your Pepperdine email account consistently throughout the summer to avoid missing an offer.

Please note that there is limited space for rising juniors and seniors, and housing cannot be guaranteed.

New Students

Newly admitted students for the 2024-2025 academic year follow a separate process. For more new student information, please visit our [first-year housing](#) or [transfer housing](#) web pages.
