Waves Cash

There are two types of funds that may be added to Pepperdine ID cards for use in a debit card fashion. For every dollar that is added, there is one corresponding point on the ID card. Points or Waves Cash from one transaction may not be spread across multiple ID cards.

Waves Cash - any amount of money that may be used for tax-free purchase of **FOOD ONLY** at any food establishment on Pepperdine's Malibu campus. These points are automatically added to your ID Card by Housing and Residence Life when you choose your room and board plan. Additional points can only be added by purchasing at One Stop.

Waves Cash Global - any amount of money that may be used for tax-free purchase of food at any food establishment on Pepperdine's Malibu campus, photocopies at copiers equipped with a card swipe unit, or printing in Pepperdine computer labs where print stations exist with a card swipe unit. These points can be added anytime, anywhere through [Pepperdine's One Card Web Deposit System](#). **NOTE:** Money added to ID cards **CANNOT** be applied toward tuition, housing, student accounts or other meal plans.
