Locations

Our stunning 830-acre Malibu campus overlooks the Pacific Ocean and is just 29 miles from Downtown Los Angeles. Three additional campuses throughout Southern California offer convenient classes for graduate students. And if you like to travel, Pepperdine has six permanent campuses around the globe and a range of international internships and programs on six continents.

Community Belonging

Pepperdine embraces students of all cultures, ethnicities, and identities. We believe that a broad range of diverse perspectives enriches the quality of our learning, scholarship, and leadership. Students are engaged and inspired through our Intercultural Affairs Office programs, which strengthen a community of respect, equity, and understanding.

Wellness Resources

We don't just care *about* our students; we care *for* them. Pepperdine's Student Health Center, Office of Student Accessibility, Counseling Center, and new Resilience-Informed Skills Education program are just some of the services that we provide to further our students' wellness and keep them on the path to success.

9.8% of students use counseling services during school year

Career Resources

Each of our six schools has a staff devoted to the development of students' careers. We help students decide the direction they want to follow and devise specific strategies for the achievement of their postgraduate goals.

92%

Undergraduate students employed, accepted to grad school, volunteering or in military six months post graduation

Career Center Offerings:

- Self Assessments

- Career Research
- Assistance with Resumes and Cover Letters
- Interviewing Skills
- Internship Connections
- Networking Opportunities
- Job Search Assistance

Service

Helping others is part of our mission. Pepperdine offers students myriad ways to be of service right here in Southern California, as well as around the world, sponsoring a variety of transformative service opportunities abroad.

Arts

Explore culture without leaving the campus at the Lisa Smith Wengler Center for the Arts' three theatres and the Weisman Museum of Art. Of course, Los Angeles also offers countless prestige entertainment options. And you don't have to major in theatre to explore your dramatic side; everyone is welcome to audition for University performances.
